

Bottle Tree Leaf

Nutrients

**Catechin
- Flavan-3-ol**

Terpenoids

**Lignan
- Polyphenol**

Amino Acids

Flavone Glycosides

Phenolic Acids

Organic Acids

**Terpenoid
- Loliolide**

Indole Derivatives

Nutrient Features

- Protects against oxidative stress induces cell death.
- Protects against heat shocked skin damage.
- Inhibition of melanogenesis - reduces coloured pigmentation allowing even skin colour.
- Rehydration and plumping of skin.
- Protection of hair follicle from sun and pollution damage.
- Potent anti-oxidant.
- Provides substantial protection from UV radiation.
- Effective in treating specific dermatological conditions.
- Tyrosinase activity.
- Alleviates aging induced oxidative stress.
- Anti-aging activity.
- Conditioning agent.
- Anti-inflammatory activity.
- Reduces membrane lipid peroxidation and DNA damage.
- Neo-collagenesis activity.
- Strengthens capillaries.
- Anti-acne activity.
- Repairs hair.

Benefits

- Potent active for the prevention of skin aging.
- Anti-aging and thermal skin aging active.
- Reduces visibility of sun spots.
- Dark circle and puffiness reduction under the eye.
- Potent skin whitening.
- Reduces appearance of fine lines and wrinkles.
- Makes skin glow, lumosity.
- Maintains health of hair and protects the hair follicle from external damage.
- More effective as an anti-oxidant than vitamin C & E together (catechin - flavan-3-ol).
- Helps skin hydration.
- Aids cutaneous metabolism to prevent skin alterations (sun spots/age spots/ skin blemishes) and early aging.
- Relieves symptoms of Psoriasis and Eczema, inflammation, itchiness and dry flaking skin.
- Helps in the protection of the skin from damaging environmental factors.
- Protection from damaging free radicals.
- Potent skin and hair conditioning active.
- Reduces skin redness, irritation and clears pore blockages.
- Reduces potential of early aging and onset of fine lines and wrinkles.
- Stimulates growth of collagen.
- Promotes growth of healthy hair.
