

Cascade Lilly Pilly Fruit

Nutrients

**Ellagic Acid
- Phenolic Acid**

**Catechin
- Flavan-3-ol**

**Procyanidin
- Flavonoid**

Amin Acids

Organic Acids

**Flavanol/Flavonoid
derivatives**

Nutrient Features

Potent active for treatment strategies interrupting skin wrinkle and inflammation.

Inhibition of melanogenesis - reduces coloured pigmentation allowing even skin colour.

Reduces membrane liquid peroxidation and DNA damage.

Protects against oxidative stress induced cell death.

Protects against heat shocked skin damage.

Rehydration and plumping of skin.

Protection of hair follicle from sun and pollution damage.

Potent anti-oxidant.

Provides substantial protection from UV radiation.

Potent anti-aging active.

Improves mitochondrial functionality - promotes regenerative capacity of skin cells. Improves collagen production.

Protects fibroblasts (new skin cells) from environmental damage.

Conditioning agent.

Anti-inflammatory activity.

Anti-acne activity.

Thermal skin aging.

Repairs hair.

Benefits

Helps in the treatment of chronic UV exposure (sunburn).

Reduces potential of photoageing.

Reduces visibility of sun spots.

Dark circle reduction under the eye.

Skin whitening.

Potent active for the prevention of skin aging.

Reduces potential of early aging and onset of fine lines and wrinkles.

Anti-aging and thermal skin aging active.

Reduces appearance of fine lines and wrinkles.

Makes skin glow, lumosity.

Maintains health of hair and protects the hair follicle from external damage.

More effective as an anti-oxidant than vitamins C & E together (catechin - flavan-3-ol).

Helps skin hydration.

Aids cutaneous metabolism to prevent skin alterations (sun spots/age spots/skin blemishes) and early aging).

Helps restore damaged skin from over-exposure to sun and pollution.

Hair repair connective tissue damage (stretch marks).

Makes skin glow, lumosity.

Potent skin and hair conditioning active.

Reduces skin redness, irritation and clears pore blockages.

Protection from damaging free radicals.

Promotes growth of healthy hair.
