

# Kangaroo Paw

## Nutrients

**Tryptophan**  
- Alpha Amino Acid

**Rutin**  
- Flavone Glycoside

**Isohamnetin**  
- Flavone Glycoside

**Chlorogenic Acid**  
- Phenolic Acid

**Caffeoyl Quinic Acid**  
- Phenolic Acid

**Amino Acids**

**Phenolic Acids**

**Organic Acids**

**Caffeine**

## Nutrient Features

Anti-aging activity.

Hair protectant and natural conditioner.

Moisturiser.

Photo-protection - helps hair combat damaging UV light from the sun.

Active against hair loss.

Significant anti-oxidant activity.

Anti-inflammatory activity.

Provides substantial protection from UV radiation.

Anti-Glycation\* activity.

Inhibition of melanogenesis - reduces coloured pigmentation allowing even skin colour.

Inhibitory effect against pro-inflammatory mediator induced skin problems.

Conditioning agent.

Alleviates aging induced oxidative stress.

Rehydration and plumping of skin.

Reduces membrane liquid peroxidation and DNA damage.

Anti-acne activity.

Skin firmness - Caffeine constricts the skin, making it look firmer and tighter. This tightening effect can help fight puffy eyes and can make cellulite look less obvious.

Promotes hair growth and healthy hair.

\* Glycation is when sugar molecules are present, they grasp onto fats and proteins in a process known as glycation, forming advanced glycation end products, which cause protein fibres, or collagen, to become stiff and malformed.

## Benefits

Helps in the protection of the skin from damaging environmental factors.

Protects hair from UV damage.

Anti-static agent providing conditioning benefits for the hair.

Adds feel of smoothness to skin and hair.

Builds protein hydrolysate moisture in skin and hair.

Reverses the UV damage in hair follicles.

Reduces appearance of fine lines and wrinkles.

Increased skin elasticity. Reduces potential of stretch marks (pregnancy).

Reduces visibility of sun spots.

Dark circle reduction under the eye.

Skin whitening.

Helps skin hydration.

Aids cutaneous metabolism to prevent skin alterations (sun spots/age spots/skin blemishes) and early aging.

Protection from damaging free radicals.

Reduces skin redness, irritation and clears pore blockages.

Helps skin recover from over exposure to sun.

Helps in the growth and protection of hair.

Reverses appearance of dimples and cellulite.

Effective results against dermatitis, psoriasis and eczema.

Potent skin and hair conditioning active.

Makes skin glow, lumosity.

Reduces potential of early aging and onset of fine lines and wrinkles.

Promotes hair growth from root in the initial phases of hair growth.
