

Red Quandong

Nutrients

Tryptophan
- Alpha Amino Acid

Ferulic Acid
- Hydroxycinnamic Acid

Rutin
- Flavone Glycoside

Chlorogenic Acid
- Phenolic Acid

Caffeoyl Quinic Acid
- Phenolic Acid

Procyanidin
- Flavonoid

Flavone Glycosides

Phenolic Acids

Methoxy-coumarin derivatives

Nutrient Features

Anti-aging activity.

Hair protectant and natural hair conditioner.

Photo-protection. Helps hair combat damaging UV light from the sun.

Potent free radical scavenging activity.

Provides substantial protection from UV radiation.

Hydration.

Active against hair loss.

Anti-acne activity.

Significant anti-oxidant activity.

Anti-Glycation* activity.

Inhibition of melanogenesis - reduces coloured pigmentation allowing even skin colour.

Inhibitory effect against pro-inflammatory mediator induced skin problems.

Reduces membrane liquid peroxidation and DNA damage.

Improves mitochondrial functionality - Promotes regenerative capacity of skin cells. Improves collagen production.

Protects fibroblasts (new skin cells) from environmental damage.

Neo-collagenesis activity.

Strengthens capillaries.

Alleviates aging induced oxidative stress.

Rehydration and plumping of skin.

* Glycation is when sugar molecules are present, they grasp onto fats and proteins in a process known as glycation, forming advanced glycation end products, which cause protein fibres, or collagen, to become stiff and malformed.

Benefits

Helps in the protection of skin from damaging environmental factors.

Protects hair from UV damage.

Anti-static agent providing conditioning benefits for the hair.

Adds feel of smoothness to the skin and hair.

Builds protein hydrolysate moisture in the skin and hair.

Reverses the UV damage in hair follicles.

Helps skin hydration.

Aids cutaneous metabolism to prevent skin alterations (sun spots/age spots/skin blemishes) and early aging.

Retains moisture within the cutaneous layers of the skin.

Stimulates the growth of collagen reducing fine lines and wrinkles.

Increased skin elasticity. Reduces the potential of stretch marks.

Anti-aging.

Reduces visibility of sun spots.

Dark circle and puffiness reduction under the eye.

Protection from damaging free radicals.

Helps skin recover from over exposure to sun.

Helps in the growth and protection of hair.

Reduces skin redness and irritation and clear pore blockages.

Reverses the appearance of dimples and cellulite.

Effective results against Dermatitis, Psoriasis and Eczema.

Helps repair connective tissue damage (stretch marks).

Makes skin glow, lumosity.
