

Tuckeroo Fruit

Nutrients

**Catechin
- Flavan-3-ol**

**Epigallocatechin
- Polyphenol**

**Procyanidin
- Flavonoid**

Amino Acids

Organic Acids

**Linear Triterpene
- Cupaniopsin**

Nutrient Features

Protects against oxidative stress induced cell death.

Protects against heat shocked skin damage.

Inhibition of melanogenesis - reduces coloured pigmentation allowing even skin colour.

Rehydration and plumping of skin.

Protection os hair focile from sun and pollution damage.

Potent anti-oxidant.

Provides substantial protection from UV radiation.

Neo-collagenesis - stimulates growth of collagen in skin.

Anti- acne activity.

Reduces membrane liquid peroxidation and DNA damage.

Improves mitochondrial functionality - promotes regenerative capacity of skin cells and improves collagen production.

Protects fibroblasts (new skin cell growth) from environmental damage.

Conditioning agent.

Anti-inflammatory activity.

Anti-glycation* activity.

* Glycation is when sugar molecules are present, they grasp onto fats and proteins in a process know as glycation, forming advanced glycation end products, which cause protein fibres, or collagen, to become stiff and malformed.

Benefits

Potent active for the prevention of skin aging.

Anti-aging and thermal skin aging active.

Reduces visibility of sun spots.

Dark circle reduction under the eye.

Skin whitening.

Reduces the appearance of fine lines and wrinkles.

Makes skin glow, lumosity.

Maintains the health of hair and protects the hair focile from external damage.

More effective as an anti-oxidant than vitamin C & E together (Catechin - Flavan-3-ol).

Helps skin hydration.

Aids cutaneous metabolism to prevent skin alterations (sun spots/age spots/skin blemishes) and early aging.

Suppleness of skin.

Increased skin elasticity. Reduces potential of stretch marks.

Reduces skin redness, irritation and clears pore blockages.

Reduces potential of early aging and onset of fine lines and wrinkles.

Helps restore damaged skin from over exposure to sun and pollution.

Helps repair connective tissue damage (stretch marks).

Potent skin and hair conditioning active.

Protection from damaging free radicals.

Reduces appearance of dimples and cellulite.

Stops build up of skin on legs and arms causing dryness and flaking.
